

New Medicare Part D changes reduce out-of-pocket costs in 2025

New cap limits your Part D drug costs to \$2,000

Option to spread your out-of-pocket prescription drug cost into monthly payments through the Medicare Prescription Payment Plan (MPPP)

How will I know if MPPP is right for me?

MPPP may be right for you if you have, or think you might have, at least one of the following:

High monthly prescription drug costs OR

Trouble paying out-of-pocket costs up-front OR

Prefer to spread out your payments over the year

How and when to sign up

Sign up through your Part D plan before or during the plan year via **telephone, website, fax, or mail**
